ON THE GRILL

No visit to The Hideout Golf Club & Resort is complete without grabbing a bite at The Hideout Grill. Come and taste this month's tantalizing chef-inspired featured entrée. You can treat your taste buds to a recipe full of Cajun flavor offered throughout the month of August. This highlighted menu option is made up of sautéed chicken breast and a Cajun cuisine staple, andouille (a spicy smoked sausage made using pork, garlic, onions, wine and an assortment of Cajun spices). Red and green peppers (sourced from our garden) are mixed in with this entrée, as well as authentic Cajun spices and cream — all served over a bed of delicious pappardelle pasta. You do not want to miss this flavorful featured dish!

MIXOLOGY

This month, the Hideout Grill is excited to feature a fun and fruity adult beverage called the **Strawberry Basil Smash**.

Like many cocktails, the question of the Smash's exact definition is a question of semantics. The Smash is an open-ended cocktail, freely variable and seasonally flexible. The Julep-like cocktail calls for vodka, in-season fresh fruit, any addition of a spritz, and just a hint of delicious mint. The beauty of The Smash is that it is wonderfully forgiving and flexible. You can swap out the mint for any other herb, the vodka for another liquor, and strawberries for any seasonal fresh fruit. Enjoy our refreshing cocktail of the month — prepared with fresh strawberries and basil from the resort garden — while listening to live music on Friday and Saturday night!
