ON THE GRILL

Our seasonal menu changes have been received very well, with a clear favorite – our pork chop entrée. And there's little wonder why. The pork chops are cut from a Duroc pig, which is a choice medium hog raised specifically for your fine dining. The chops are cut in-house, from a full rack and then frenched and portioned. Grilled over our wood-fire grill and brushed with our homemade chipotle barbeque sauce, served on a bed of Yukon

gold mashed potatoes, and topped with a cranberry apple compote...this is the dinner that defines autumn.

The smoky chipotles — with notes from the woodfiring, combined with the sauce and compote create a mouthwatering, robust partnering of flavors. We

As the temperatures drop outside, the heartiness and depth of this dish is the perfect companion for cooler months.

MIXOLOGY

The new cocktail menu is in full swing! Featuring both classic and specialty cocktails, the strawberry basil smash is the most popular cocktail so far. Prepared with fresh herbs from our garden — these cocktails are a complex presentation of the simple classics you love. And stay tuned for a spectacular martini menu.

KPC-3 UPDATE: DEVELOPMENT

The tremendous rainfalls in October delayed the start of our infrastructure construction, but we are pleased to inform you that we are finally getting started building KPC-3. First steps will be water, sewage and then electricity with the final road paving planned for June 2019. We are extremely excited to see some home building activity very soon!

KPC-3 UPDATE: SALES

MODEL HOME INITIATIVE

We are starting our model home initiative by building the first two of a series of model homes to create a neighborhood. Our overall philosophy is simple. Our focal point is centered on an architecture that is aesthetically Hill Country themed and is socially and economically focused, with an emphasis on sustainability and energy efficiency. We want owners to build and will facilitate a one-stop approach with model home designs, building and real estate agent partners

resulted in a 60% sellout of which there were 188 families that took advantage of our special pre-development pricing. As planned, this special predevelopment pricing will be ending on January 1st 2019. So please tell all your family and friends and urge them not to hesitate to take advantage of the same opportunity that you all in KPC-3 did! Congratulations to all and THANK YOU!

builder's discount! We want to work with you to design and build your dream home right here at The Hideout. If you are interested call us at 325.784.8000 and ask for Dan, it is first come, first serve.
