## ON THE GRILL

This month, The Hideout Grill will feature a new harvest of vegetables on the menu. Expect to find a colorful array of broccoli, cauliflower, cabbages, potatoes, onions and brussel sprouts sourced right from our resort garden.

Look for menu highlights such as chili, stews, and a special cream of famous 1015 onion soup.

**FUN FACT:** Texas 1015 onions were named for their ideal planting date, October 15. Texas 1015 are a type of sweet, yellow onion grown only in South Texas. The onion has a crisp outermost layer that gives off a warm, sweet aroma.

### Oktoberfest Bites:

Indulge during Oktoberfest weekend with the best of wursts, a roast suckling pig, barbeque favorites, warm potato salad and big chewy pretzels.

Every day we will offer a wide selection of house crafted menu items such as cold smoked burgers, Shiner Bock onion rings, and thinly sliced fried potato chips with a roasted shallot and garlic dip.

## MIXOLOGY

Oktoberfest began as a wedding celebration more than 200 years ago when Bavaria's Crown Prince Ludwig married Princess Therese of Saxony-Hildburghausen. The wedding was celebrated with multiple days of drinking, feasting and horse races. We are celebrating this traditional event with our very own festival featuring German-inspired food and drinks! Enjoy from a selection of German beer and wine, paired with delicious bites at our Oktoberfest celebration. Don't miss out on our Texas-sized celebration on October 19. We can't wait to see you there!
