A NEWSLETTER FOR MEMBERS OF THE HIDEOUT GOLF CLUB & RESORT

EDITION 14 | JUNE 2020

## NEWMAN'S NEWS

### A Letter From Our Developer

We hope everyone stayed safe during the recent COVID-19 pandemic and shutdown. We are happy to announce that we are open and ready for you and your family and friends to come visit! Thanks to the wide-open spaces of the Central Texas countryside and all the safety precautions we have adopted, The Hideout is the ideal place to get away from it all and relax. We are also happy to speak with you about planning weddings or other special events here in the coming months.

Our resort pool is open, and the water is perfect for enjoying the hot Texas summer days while enjoying a drink at our cabana and lounging around soaking up the sun. If you're out playing a round of golf on The Hideout championship course, stop by The Hide-A-Way between Hole 9 and 10 for refreshments. The Hide-A-Way even features showers and bathrooms for our RV guests!

As a reminder to all property owners and resort members, you do have 7 consecutive days FREE in the cabins. Now is a great time to come and treat yourself to the best of Central Texas living with a free week-long stay! Or better yet, reserve a stay for July 4th. A big celebration is planned including a BBQ, all prepared by Chef Richard, movie by the pool, games, and watching the nighttime fireworks from the back deck overlooking Lake Brownwood.

We also encourage you to visit our sales office, open 7 days a week from 9am-5pm. Stop by and learn about some of our new homesites recently released and homes that are under construction throughout the community. We would love the opportunity to speak to you about a possible upgrade within the

community or a Resort Membership for a member of your family. Our phone lines are always ready to take any referrals you may have. If you are ready to build your dream home at The Hideout, we have preferred builders and in-house financing ready to assist. There are currently 7 new homes underway in our beautiful resort community, with more to come.

So, remember to bring your family and friends to The Hideout this summer. We love your referrals and would love to share with them how special The Hideout Golf Club and Resort is. If you haven't seen The Hideout lately... you haven't seen The Hideout!

## ACCOMMODATION ENHANCEMENTS

New services that include upgraded amenities in the clubhouse lodge rooms are in the works. Included are his and hers monogrammed bathrobes, spa collection of salts and bathwater amenities for that perfect soak, to a seasonal turn-down service. New guest directories will be added to all lodge rooms and cabins, and we've expanded our guest Wi-Fi throughout the family cabins to increase and improve the overall online guest experiences. Our gas grills are being added and repositioned to ensure everyone has access to that perfect family barbecue.

## GOLF COURSE & RV PARKS

The Hide-A-Way, our snack and beverage bar, between Hole 9 and 10 is now open. Our RV Park members now have access to showers at The Hide-A-Way, and the team is also working to expand Wi-Fi to reach both RV parks as we continue to improve these locations for our RV guests.

## FOOD & BEVERAGE

Chef Richard is working on adding some new food collections to our Light and Fare offerings, among other delectable menu items and we've created 4 scrumptious Welcome Basket Amenities for purchase when you want to surprise that special guest with that warm welcome.

As always, our plan remains to grow and improve the services our guests have come to treasure and expect, adding additional value to every stay! We are excited to begin ramping up for another successful summer season and can't wait to see you during your next visit!

# TEE TIME

## WELCOMING OUR NEW GOLF PRO

We're pleased to welcome Earl "Mick" Jones as The Hideout Golf Club and Resort's Golf Professional. Mick comes to us most recently from Lake Valley Golf and Country Club at Lake of the Ozarks as General Manager and Golf Professional.

We are also pleased to share that he is a 20-year Marine Veteran and brings a wealth of experience working with members, increasing membership to the club overall, and implementing a vast array of tournaments and clinics at his previous resort. We look forward to having Mick and his family join us over the next weeks and are excited to have him help grow the business at The Hideout.
