A NEWSLETTER FOR MEMBERS OF THE HIDEOUT GOLF CLUB & RESORT

EDITION 7 | JULY 2019

## KIT'S KORNER

Summer is in full swing and the 4th of July presents a festive opportunity for us to reunite as families, friends, and loved ones. The Hideout Golf Club & Resort will host a four-day celebration from July 4-7, 2019, featuring an exciting program of activities. Guests can begin their experience with a stunning firework display over Lake Brownwood while dining on a savory meal on the scenic deck. They can spend the rest of the weekend socializing, indulging at cookouts, playing games, swimming and enjoying live music — and even competing in a golf tournament.

There's never been a better time to make a family escape plan to The Hideout. Recent accommodation and amenity updates include three new Ranch Houses which can sleep up to six. Each features a full-size kitchen, living room, and fireplace. We've also added a full-service cabana to our swimming pool area, so you can grab refreshing treats and beverages in your swim attire. And of course, the new "Halfway House" comfort station located between #9 green and #10 tee area on our Championship Golf Course will surely be a popular spot all summer long.

Perhaps our biggest new facility offering is our fitness center, available for property owners and resort members to take full advantage of as part of their amenity package. Situated in the heart of The Hideout Resort in what used to be our Austin Stone "old" Pro Shop, the fitness center — led by Resort Activity Director, Sydney Rodriguez — will feature a wealth of fitness classes and exciting activities. Her new program will allow guests to maximize their usage of the swimming pool, tennis courts, pickle ball court, and, eventually, the new basketball area currently under construction behind the fitness center. This is a wonderful opportunity to give guests and future members an inside peak into the lifestyle they'll enjoy at The Hideout.

The brand-new sound stage is also scheduled for completion this summer. Located behind the clubhouse, it will serve as Brown County's best live music venue and can double as the perfect setting for birthday parties, anniversary celebrations and class reunions, to name a few.

Also on the lineup for July: trivia, karaoke and live music every Friday and Saturday night. Special dive-in movie showings at the swimming pool overlooking scenic Lake Brownwood are sure to be a summer night favorite. And of course, our traditional offerings including lake fishing, driving range, beach volleyball, tennis, pickle ball, kayaks, peddle boats and paddle boards ensure guests never have a shortage of amusements while on vacation at The Hideout. For more information, we encourage you to visit our website: [www.thehideouttexas.com](http://www.thehideouttexas.com). # CAMP OUT AT THE HIDEOUT

Venture into Texas Hill Country in your RV! The Hideout welcomes free spirited outdoor enthusiasts to camp out on one of our 16 RV sites. Enjoy an increased feeling of security on our beautiful campsites that are open exclusively to members. And as part of

your benefits, you can enjoy the sites without charge for a limited number of consecutive days each month. That means more days to explore the lake, golf and check out our fun summer activities at the Resident's Club.

## ON THE GRILL

It's peach season here in Texas! The Hill Country is lush with cling peaches from Parker County to Fredericksburg, so this month we're making a cast iron pan of peach cobbler. We sweeten the ripe fruit with brown sugar and bourbon, then add a hint of black pepper and cinnamon. We finish the dish with a brown sugar biscuit dough topping, bake until golden brown and garnish with scoop of vanilla bean ice cream. Is your mouth watering yet?

## MIXOLOGY

Fresh mint grows all over the resort, so this month, we're using it to shake up our cocktail offerings to celebrate National Mojito Day on July 11th! We're celebrating by shaking up classic, mango, strawberry, and blackberry mojitos. They make for a refreshing treat to beat July heat!

# DEVELOPMENT NEWS

We're excited to open new amenities, scheduled for completion this July:

- Full-service, poolside cabana
- "Halfway House" comfort station located between #9 green and #10 tee area on the golf course
- Fitness center located in the former Pro Shop
- Amphitheatre located behind the clubhouse

## TEE TIME

As summer temperatures rise, morning tee-times become increasingly popular. Members can take advantage of priority access to preferred tee times when they book at least two weeks in advance. To allow more players to enjoy morning tee time and to facilitate game pace, morning twosomes will be paired with other players by the pro shop staff or the starter. Players who would prefer not to be paired with other golfers are welcome to book afternoon tee times.

We will host five exciting Monday Madness twilight tournaments during the month of July. The deadline to enter each weekly tournament is 3:00 pm, the day of the event. Additional tournament and registration information is available on our brand-new website: [www.thehideouttexas.com](http://www.thehideouttexas.com) under the "GOLF CLUB" tab.

\*\*\*Club regulation reminder: all golfers are required to have a set of golf clubs while playing. Brand new club sets are available for rent through the pro shop where players check in. Two or more players will not be permitted to play out of one bag.
